

Privacy Policy

We know that you deem the protection of your personal data extremely important. We therefore only collect and use your personal data in accordance with the Federal Data Protection Act (Bundesdatenschutzgesetz, BDSG), the Telemedia Act (Telemediengesetz, TMG), and the Teleservices Data Protection Act (Teledienstschutzgesetz, TDDSG). In the following, we inform you about the type, scope and purpose of the collection and use of personal data.

Automatically collected access data when visiting our Website

When visiting our Website, certain access information is automatically conveyed to our Web server. This is your current IP address, date and time of your access, server inquiry, access origin and access status, volume of the data sent, browser type and browser version and the operating system you use. These data are collected and analysed for statistical purposes only, in order to be able even better to gear our Website to what our customers want. We have no way of correlating data and users.

After the statistical analysis, the data are deleted. When visiting our Website, you expressly agree to the collection and analysis of the afore-mentioned access data.

Storage and transfer of personal data

Beyond the foregoing, we will only store your personal data if you provided them to us on a voluntary basis, e.g., by using the contact form. Your data will only be transferred to third parties if this is absolutely necessary to process your request or order. Any transfer to third parties of your data for advertising purposes, however, is excluded. By submitting one of our contact forms, you expressly agree to the terms contained herein.

Right to information, disablement or deletion of your data

As a user of our Website, you have the right to demand information on your personal data we have stored at any time. This right to information extends to the type and scope of the data stored, their origin and use and to any transferees. You also have the right to demand an instant deletion of your data. If this is impossible for reasons of statutory storage periods, we will disable your data, that is, prevent any further use or transfer of your personal data. Should you want us to do this, please contact the office given in our Company Credits (Impressum).

Cookies , Java applications

In the context of this Internet presentation, we do without any cookies and Java applications.

Links to external Internet pages

For direct or indirect links to external Internet pages, we would only be liable if the author had knowledge of their contents and it were both technically and legally possible and reasonable for him/her to prevent the use in case of illegal contents thereon. The author therefore expressly declares herewith that at the time of the linking the linked pages were free of illegal contents. The author has no influence on the present or future design and contents of the linked pages. He/she therefore hereby expressly disassociates himself/herself from all contents on linked pages changed after the linking. This shall apply to all links and references in our own Internet presence and to external entries in guest books, forums and mailing lists established by the author. Sole liability for illegal and incorrect or incomplete contents, and for damages arising from the use or non-use of information presented in such fashion in particular, lies with the provider of the linked page, not the one who only referred to said publication by a link.
